

BRIJESH SANGANI WEB DEVELOPER

 brijeshsanagni088@gmail.com  +91 7859940814  Brijesh Sangani  Adalaj, Gandhinagar

PROFESSIONAL SUMMARY

Passionate Full Stack Developer with knowledge of HTML, CSS, JavaScript, Node.js, and backend technologies. Skilled in creating user-friendly websites and always eager to learn new technologies. Seeking opportunities to apply my skills and grow as a professional developer.

PROJECTS

LensKart

Node.js, JavaScript

Developed a functional clone of the **LensKart** website using Node.js and JavaScript, featuring product listings, filtering options, dynamic routing, and an interactive, user-friendly design.

Starbucks

Node.js, JavaScript

Developed a functional clone of the **Starbucks** website using Node.js and JavaScript, featuring product displays, menu sections, dynamic content, and a clean, responsive design.

Hospital Management System

HTML | CSS | JavaScript

Built a functional **Hospital Management System** website using HTML, CSS, and JavaScript, featuring modules such as patient registration, doctor listings, and appointment management. Focused on responsive design, clean layout, and dynamic JavaScript-based interactions.

Happenstance

HTML | CSS

Created a responsive clone of the **Happenstance Shoe Wear** website using HTML and CSS, featuring a modern minimal design with structured sections and clean layouts.
